

FIND YOUR UNDERWATER EXPLORER!

**VILEBREQUIN AND SUBLUE
LIMITED-EDITION UNDERWATER SCOOTER**

WHAT'S THAT WE HEAR? *THE OCEAN CALLING!*

If you're as crazy about sea turtles as we are, good news: Vilebrequin and Sublue are taking you on an adventure to remember.

This summer's **must-have aquatic accessory** for kids and grown-ups invites you to **explore the ocean's mysteries** in complete safety. Technologically advanced with a compact, ultra-portable design, Sublue electric scooters can cover long distances at record speed, reaching depths of up to 40m...!

Plunge together and admire the wonders of the deep. Come face-to-face with a wealth of marine life—the treasures Vilebrequin values most. To help you immortalize your odyssey, there's a built-in camera feature. Just don't forget to share your snaps when you return to shore!
