ABOUT DINH VAN

In 1965, guided by instinct, Jean Dinh Van created a jewelry brand that defied all expectations. An iconoclast by nature, he crafted metal pieces with his hands like a sculptor, driven by his creative impulse. Jean Dinh Van's vision was simple: crafting jewelry deeply rooted in design, accessible to all, that can be worn with everything, anywhere, anytime. Jewelry that transcends the conventions of Place Vendôme by transforming everyday objects into wearable art.
