

VILEBREQUIN

AT SAADIYAT BEACH CLUB ABU DHABI

Starting this March, the heritage swimwear brand from Saint-Tropez brings the French Riviera to Abu Dhabi's most coveted beach club for the 2024 season.

VILEBREQUIN. OR THE ART OF LIVING AT THE BEACH.

Since 1971, elegance, family, and fun have been at the heart of Vilebrequin's journey. The House's cult swimwear designs regularly feature at the world's best beach resorts.

Today, Vilebrequin enters a new chapter—where our storied savoir-faire and Saint-Tropez origins conspire to create a 360° art of living at the beach.

DRIFT AWAY TO THE FRENCH RIVIERA

Like a scene from classic French cinema, every inch of the space plunges you into the glamor of Abu Dhabi's elegant and serene coastal beauty.

French designer Vincent Darré, known for his refined and playful decors, brings the Vilebrequin spirit to Saadiyat Beach Club for Summer 2024 through a vibrant range of Riviera-feel furnishings.

Your very own Vilebrequin towel will be handed to you on arrival. A team of beach concierges will be happy to help you settle in.

Custom fabrics and hand-painted ceramics conjure up the Mediterranean. Decked out in signature Vilebrequin prints and pristine drapes, pool cabanas feel like private islands. Down by the shore, you'll find 9 kilometers of white sand dotted with parasols and sunbeds in colorful stripes.
