VILEBREQUIN SWIMWEAR EXCLUSIVES AN ODE TO SAADIYAT ISLAND

The House's iconic sea turtle motif encounters the breathtaking architecture and landscapes of Abu Dhabi for a limited-edition family capsule.

Rich, refined blues and golden accents promise joyful moments in the sun for you and your loved ones.

Sustainably tailored from high-grade recycled polyamide, the swimwear collection's all-over motif showcases Vilebrequin's unique printing expertise.

FOR MEN

Rival the palm trees in a limited edition of Vilebrequin's classic swim trunk, the Moorea. Each pair is finished by hand, demanding a ritual of 32 steps and over 50 years of expertise.

Off for a bite to eat? Cover up in a matching bowling shirt cut from European linen for exceptional quality and breathability.

FOR WOMEN

A beautifully crafted one-piece with a timeless v-neck silhouette, a low-cut back, and tie neck detail.

For drinks in the bar or a walk on the beach, throw on an organic cotton shirt dress finished in fine embroidery—the definition of nonchalant Saint-Tropez elegance.

FOR KIDS

A matching boys' swim trunk and girls' one-piece to ensure you can easily spot them as they make the most of the pool. Adorable! And incredibly durable.

The Vilebrequin Abu Dhabi limited editions will be available from June in select Vilebrequin stores and online at Vilebrequin.com.
